| Name | WOOD CARVING AND HANDCRAFTED FURNITURE IN "GRAZZANO VISCONTI" STYLE |
| Location | grazzano-visconti |
| Description | In 1908 the Institution dedicated to Giuseppe Visconti di Modrone was founded. It was a school / workshop where the village young people learned the art of wrought iron and wood carving. The products of that school, with its typical deep carving, are on sale in Grazzano Visconti specialized shops. |
