

Name	"SAN MARTINO" AGRITOURISM
Location	bobbio
Address	loc. San Martino
Description	<p>The farm house is 1 km far from Bobbio centre and only few hundred metres from Trebbia river. The building is the result of a well-managed restoration of a small court-house from the late Middle Ages. The farm is family run and produces exclusively organic products such as flour, vegetables, eggs, etc. Apart from several farm animals, it also has horses available for lessons in the manège and for excursions in the neighbourhood. Visitors who are not staying at the farm house but wish to dine at the restaurant are kindly requested to book a table.</p> <p>Average price for meals: 25 Euros.</p>
