

Name	PALAZZO FARNESE CIVIC MUSEUMS
Location	piacenza
Address	Palazzo Farnese - Piazza Cittadella, 29
Description	It is divided into 26 rooms with an interesting itinerary to follow. In the stuccoed apartment there is a cycle about Fasti Farnesiani (17th century), with remarkable paintings by Giovanni Evangelista Draghi; the cycle depicting Episodes of Paolo III life by Sebastiano Ricci; frescoes dating back to 14th and 15th century, namely stories about Santa Caterina's life, sculptures dating back to 12th-14th centuries, among which precious Romanesque works attributed to Piacenza School, the prophets David ed Ezechiel (13th century) and the Benvegnù (first half of the 14th century), very rare example of figurative relief with a vulgar inscription. The famous Etruscan Divinatory Liver is displayed here.
