

Name	LA MAGIA DEL PRESEPE VIVENTE DEL BORGO DI RIVALTA
Sottotitolo (EN)	LIVE NATIVITY SCENE
Location	rivalta
Description	<p>A twenty-year-long tradition continues with the majestic local recreation of the Nativity Scene with more than 120 characters in the Rivalta borough. On 24th December night only, from 10 pm (not in case of bad weather, of course), the village is transformed into a living Bethlehem village, with representatives of ancient crafts. This tradition recalls Saint Francis's time when religious events were animated with scenographic moments to involve the faithful.</p> <p>Thanks to the Counts Zanardi Landi, who open the park and the castle for the event, the nativity scene comes alive.</p>
