

Name	E...STATE TRA LE STELLE
Sottotitolo (EN)	Starry Summer
Address	Località Case Lazzarello, Osservatorio Astronomico
Location	pecorara
Description	<p>Every Friday in August you can access the Astronomical Observatory in Lazzarello di Pecorara, and enjoy watching the stars.</p> <p>With the help of experts from Gruppo Astrofili from Piacenza, from 9 pm onwards learn about constellations and the most shining stars in the night sky. All this through the eye of the telescope installed under the steel vault of the observatory. Mars, Jupiter, Saturn, double stars, a dusty nebula, and much more on this unique series of appointments under the stars.</p>
